

# HEALTHCARE ACCESSORIES

Safety, security, and comfort make PDC's healthcare products the top choice of today's hospitals. Choose from the following latex-free solutions:

## *Labor and Delivery Products*

PDC's premier lines of obstetric and pediatric products provide safe and healthy starts for new mothers and their infants. From infant foot printers, to fetal monitoring straps, to pediatric urine collectors, PDC meets your labor and delivery needs.

## *Armboards*

PDC's disposable Armboards for adults and infants provide maximum comfort and support during intravenous procedures.

## *Post Mortem Identification & Containment*

For proper identification, storage, and containment of cadavers, PDC's anklebands and post mortem products provide peace-of-mind by assuring a caring touch, while meeting the respectful standards desired in caring for the deceased.

### Post Mortem ID & Containment

PDC is the preferred choice for identification, storage, and containment of cadavers. Our ankle bands and post mortem bag products provide peace-of-mind to deathcare professionals by assuring a caring touch, while meeting the respectful standards desired in caring for the deceased. Secure tri-laminate ankle bands are available in adhesive closure with assorted colors to aid with classification. Cadaver bags and kits are available in curved and straight zipper design.

### Post Mortem Bags & Kits

PDC Post Mortem Bags and Kits are dialectically sealed for maximum containment of body fluids and/or suspected contagions. Choose from individual post mortem bags or full post mortem kits in multiple sizes. Select curved or straight zipper designs. Zippers are rustproof.
