

# Animal ID Bands

Identification Products for Animal Care Professionals

The perfect ID solution for veterinarians, animal shelters, breeders, kennels, and other animal care providers.

Easily identify and classify animals with Animal ID Bands from Precision Dynamics Corporation (PDC). Our animal ID bands and collars provide secure and accurate identification. Simple and easy to use, the bands are available in several styles, colors, and materials. Write directly on the ID bands with a permanent marker or select Ident-A-Band® or Safeguard® style ID bands which come with convenient insert cards to accommodate handwritten or typed information.

- Animal ID collars provide simple, secure identification
- Write animal's name, sex, age, breed, owner's name, medical record #, etc. on the ID bands or insert cards
- Color code males and females with different colored bands
- Indicate special dietary or medication needs
- Flag health conditions or diseases with special color ID bands or in writing
