

Xtender Band™

Precision Dynamics Corporation (PDC) introduces a new wristband extension product, Xtender Band, which is specifically designed to meet the special needs of bariatric patients. The Xtender band offers superior quality, security, convenience, and comfort.

Xtender Band conveniently snaps onto most PDC wristbands to offer 4-6 more inches of length for optimum adjustability and patient comfort. Its durable, water-resistant material is soft, comfortable, and non-abrasive to skin. The wristband's non-transferable, secure plastic snap provides maximum security for patients.
